North Middleborough Maſs Feb 15 1858

Rev & Dear Sir

Having learned that you are collecting materials for publishing a history or genealogical list of the family of Robinsons including that of Increase Robinson I am happy to state that I am one of his descendants & have all I think the names of his children and the various families down but not generally the dates.

If you have not a perfect list and wish me I shall be most happy to do all I can to aſsist you in the work

I have a son a lawyer in your city to whom I am happy to refer you.

Thomas D. Robinson No 10 Wall Street

He is aſsociated with another son Morrill Robinson Jr. New Bedford Maſs and his firm is "Robinsons Brothers"

If you think of any service I can render you addreſs me as Post Master North Middleborough unpaid & say to your P. M. that I have the franking priviledge & you will oblige

Rev E. Robinson LL.D.

Yrs Morrill Robinson
